Forecast for Monday 07 Mar 2022

Weather: Generally dry with bright and sunny spells into the day. These most widespread from mid-afternoon with fresh easterly winds. Just a very low risk of the odd light shower during the morning.

Chance of cloud-free hill tops above 600m: 90%

Low cloud and visibility: Good or very good visibility in general with cloud bases largely well above summits but infrequently lowering towards 600m so perhaps briefly very poor over the highest peaks.
